Google Ads Case Study

Digital Product E-commerce

Jan 6, 2026

7 Conversions | \$2.59 CPC

1 Proper Tracking

GA4 + GTM set up correctly before campaign launch + enhanced conversions tracking active

2 Intent Targeting

High-purchase intent keywords only
no broad match
budget waste on low-intent traffic

3 Ad-Page Match

Ad copy and landing page speak the same language
no disconnect = higher trust + CVR

Is your Google Ads budget leaking?

90% of wasted ad spend is a tracking or landing page problem.
I audit and fix exactly this. DM me

I build campaigns that convert, not just spend budget.
